

PUBLIC NOTICE

Implementation of E-Waste (Management) Rules, 2022

Attention: Producers, Manufacturers, Recyclers and Refurbishers

'E-waste' means electrical and electronic equipment (EEE), including solar photo-voltaic modules or panels or cells, whole or in part discarded as waste, as well as rejects from manufacturing, refurbishment and repair processes.

The **E-Waste (Management) Rules, 2022** were notified by the Ministry of Environment Forest & Climate Change, Government of India on 02 November 2022.

These rules came into effect from **01 April 2023**.

It is enjoined upon the entities listed below to ensure registration on online portal developed by CPCB with URL <http://eprewastecpcb.in> with immediate effect.

- **Producers** -means any person/entity who manufactures / assembles/ imports and sells EEE and their components or consumables or parts or spares or imports used EEE.
- **Manufacturers** -means a person/entity/company having facilities for manufacture of EEE.
- **Recyclers** - means any person/entity engaged in recycling and reprocessing of waste EEE.
- **Refurbishers** -means any person/entity repairing or assembling used EEE.

1. No entity shall carry out any business without registration on the E-waste EPR Portal.
2. Registered entities shall file annual and quarterly returns in the prescribed format on the portal on or before the end of the month succeeding the quarter or year.
3. Registered entity is not permitted to store e-waste beyond a period of one hundred and eighty days.
4. Registered entity shall maintain records of sale, transfer, and storage of e-wastes.
