

Government of Jammu & Kashmir
JAMMU & KASHMIR POLLUTION CONTROL BOARD

**IMPLEMENTATION OF BAR CODE SYSTEM IN HEALTH CARE FACILITIES AND
COMMON BIO-MEDICAL WASTE TREATMENT FACILITIES OF JAMMU & KASHMIR**

The Bio-medical Waste Management Rules, 2016 notified on 28.03.2016 and amended thereof on 16/3/2018, 19/2/2019 and 10/5/2019, respectively, under the Environment (Protection) Act, 1986, stipulates that it is the duty of every Health Care Facility (HCF) to establish a Bar Code system for bags or containers containing biomedical waste (BMW) to be sent out of the premises for further treatment and disposal in accordance with the guidelines issued by the Central Pollution Control Board, by **27.03.2019** [Rule-4 (i)]. Also, Rule 5 of the BMW Rules, 2016 stipulates that it is the duty of every Operator of a Common Bio-medical Waste Treatment Facility (CBMWTF) to establish bar code system for handling of bio-medical waste in accordance with the guidelines issued by the Central Pollution Control Board, by 27.03.2019. "Guidelines for Bar Code System for Effective Management of Bio-medical Waste" prepared by Central Pollution Control Board, Delhi in April, 2018, is to facilitate and provide guidance to both the Occupier as well as Operator of CBMWTF to establish bar code system and also to have uniformity in adoption of the bar code system throughout the country, thereby ensuring effective enforcement of the BMW Rules, 2016.

Bar code system has been established to help in accounting the quantity of biomedical waste being collected, treated and disposed. The Bar code system will help in:

- (i) Tracking of biomedical waste from source of generation to intended destination for final treatment and disposal;
- (ii) Daily check on the Occupier, transporter (involved in transportation of bio-medical waste within HCF as well as transportation of bio-medical waste from HCF to the CBMWTF);
- (iii) Preventing pilferage of bio-medical waste at HCFs as well as during transportation of waste from HCF to the CBMWTF;
- (iv) Keeping record of visits made by CBMWTF to the member HCFs for collection of waste;
- (v) Identification of source of generation of bio-medical waste, in case waste is disposed of improperly;
- (vi) Creates real time online monitoring of waste generation, collection, transportation, treatment and disposal; and
- (vii) Quantification of segregated bio-medical waste generated and waste collected daily by the Operator of a CBMWTF from the member HCFs, for further treatment and disposal.

A. Bar code labelling may be of two types as given below:

(i) Bar code or Quick Response (QR) code label can be pre-printed directly on the designated colour coded bags /containers, which may be procured by HCF through the Operator of a CBMWTF providing services to them or through any vendor, fulfilling the specifications stipulated under these guidelines; or

(ii) Bar code or QR code labels can be pasted on the designated colour coded bags/containers, which can be procured by the HCF either through the Operator of a CBMWTF providing treatment services to the HCF or through a vendor.

In both cases, thickness of colour coded bag used for segregation and handling of bio-medical waste should be as per the Plastic Waste Management Rules, 2016, as amended thereof i.e. equal to or more than 50 µ.

The charges for bar coded labels or pre-printed bar coded label or QR code label may be levied by the Operator of a CBMWTF or a vendor, as per the prevailing rates to the Occupier or as per the agreement between the Occupier and Operator of CBMWTF/vendor. Vendors shall consult the CBMWTF and the Software Provider so as to ensure compatibility with software system being adopted by Operator of CBMWTF.

B. Specifications of Bar-code or QR Code label:

The Bar code label for use on the colour coded bags or containers for handling bio-medical waste should have following specifications:

- a) **Colour mark on the label:** A colour mark or text is required on bar code label for easy identification of the bar code (by the workers handling bio-medical waste) with designated colour coded bag or container. The bar code should have a colour mark (in Yellow/Red/White/Blue) in the form of block of size at least 7 mm X 7 mm or Text of font size 12 specifying the colour of the BMW in the bags or containers.

The colour mark or Text shall be placed at the top left corner of the bar code label. In case of Black and White label, colour mark can be specified in the form of 'Text' specifying the colour of BMW waste as "YELLOW" / " RED" / " WHITE" /" BLUE" printed on top left side of the bar code label.

- b) **Unique Number of the HCF and its specification:** Unique number to each HCF shall be developed and provided by concerned SPCB/PCC/DGAFMS. Unique number can be produced based on following criteria:-

i. **Name of the Health Care Facility (HCF):** The name of the HCF shall be indicated by first five alphabets in the name of the HCF. In case the name of HCF is less than 5 letters, the rest of spaces may be filled with (E.g., All India Institute of Medical Sciences-ALLIN), followed by...

ii. **Name of the Place where HCF is located:** Name of the place where HCF is located shall be indicated by 6 digit local Pincode provided by Postal department, followed by...

iii. Name of the State/UT: Name of the State/UT should be in the form of two digit alphabetical number, followed by...

iv. Type of HCF: Type of HCF should be in the form of alphabetical number in capital but not more than two letters i.e., first two letters of a type of HCF/first letter in two words of a HCF) as given below:

BH - Bedded Hospital

CL - Clinic

DI - Dispensary

HO - Homeopathy

MH - Mobile Hospital

SI - Siddha

UN - Unani

VH - Veterinary Hospital

YO - Yoga

AH - Animal House

BB - Blood Bank,

DH - Dental Hospital

NH - Nursing Home,

PL - Pathological Laboratory

FA - Institutions/Schools/Companies etc. with First Aid facilities

HC - Health Camp

and followed by...

v. Numerical Number of the HCF: Numerical number of the health care facility shall not be more than five numerical numbers to be assigned to the HCF in between i.e., 00001 to 99999.

vi. SPCB/PCC shall upload a list of HCFs along with their unique number of HCF at their website. In case of long list, SPCBs may provide search option on their website for retrieving unique code vis-à-vis name of HCF.

Keeping in view the Guidelines issued by Central Pollution Control Board in April, 2018, Jammu & Kashmir Pollution Control Board has allocated district wise Bar codes for Health Care Facilities in Jammu & Kashmir, as detailed below, vide SPCB/LA/BMW/839-841 dt.29/08/2019 (**Annexure-I**):

A. JAMMU PROVINCE (Bar Code allocated)

S.No.	District	From	To
1	Jammu	00001	03000
2	Samba	03001	04000
3	Kathua	04001	06000
4	Udhampur	06001	07500
5	Rajouri	07501	09000
6	Poonch	09001	10000
7	Reasi	10001	11000
8	Doda	11001	11500
9	Kishtwar	11501	12500
10	Ramban	12501	13000

B. KASHMIR PROVINCE (Bar Code allocated)

S.No.	District	From	To
1	Srinagar	13001	16500
2	Budgam	16501	17500
3	Baramulla	17501	19500
4	Anantnag	19501	21500
5	Ganderbal	21501	22000
6	Pulwama	22001	23000
7	Kupwara	23001	23500
8	Bandipora	23501	24000
9	Kulgam	24001	24500
10	Shopian	24501	25000

Based on the Inventory by Health & Medical Education Department, Jammu & Kashmir, dt.9/10/2019, Bar Codes have been allotted to the Government as well as private health care facility in this compilation. Laboratories, X-Ray Diagnostic centres, within a HCF, have been allotted one specific Bar code only, as part of the health care facility. Non-bedded AYUSH HCFs, Physiotherapy and other such allied Centres, where no bio-medical waste is generated, have not been allotted bar codes.

C. JAMMU PROVINCE (Total Number of Bar Code allotted)

S.No.	District	Government	Private	*Vet. Institutions	AYUSH	Total
1	Jammu	266	275	2	2	545
2	Samba	105	38	-	-	143
3	Kathua	235	45	1	-	281
4	Udhampur	200	42	1	-	243
5	Rajouri	193	61	1	-	255
6	Poonch	175	21	1	-	197
7	Reasi	98	11	-	-	109
8	Doda	213	26	1	-	240
9	Kishtwar	80	25	-	-	105
10	Ramban	120	16	-	-	136
Total		1685	560	7	2	2254

* Only Veterinary hospitals included (not included in the Health & Medical Education Department list)

D. KASHMIR PROVINCE (Total Number of Bar Code allotted)

S.No.	District	Government	Private	Vet. Institutions	AYUSH	Total
1	Srinagar	123	382	List awaited	02	507
2	Budgam	216	28	List awaited	-	244
3	Baramulla	282	156	List awaited	-	438
4	Anantnag	208	140	List awaited	-	348
5	Ganderbal	82	36	List awaited	-	118
6	Pulwama	149	120	List awaited	-	269
7	Kupwara	287	31	List awaited	-	318
8	Bandipora	102	34	List awaited	06	142
9	Kulgam	166	30	List awaited	-	196
10	Shopian	74	33	33	-	140
Total		1689	990	33	08	2720
