Form IV
{Rule (8) (3)}

**Format of Annual report to be submitted by the State Pollution Control Board/
Committees to the Central Pollution Control Board**

1.	Name of the Union Territory	:	Jammu & Kashmir		
2.	Name & address of the Pollution Control Committee	:	J&K Pollution Control Committee, Jammu, Parivesh Bhawan, Forest Complex, Gladni, Jammu - 180006		
3.	Number of municipal authorities responsible for management of municipal solid waste in the State/ Union territory under these Rules.	:	Name of Municipal Authority	Jammu	Kashmir
			Municipal Corporation	01	01
			Municipal Council	09	03
			Municipal Committee	27	37
			Cantonment Board	01	01
			Total	38	42
4.	A summary statement on progress made by Municipal Authorities in respect of implementation of Schedule II	:	N/A There is no C&D Waste processing facility in J&K as on date.		
5.	A summary statement on progress made by Municipal Authorities in respect of implementation of Schedule III	:	Attached as Annexure-I (Jammu and Kashmir Division) Attached as Annexure-II (Jammu and Kashmir Division)		
<p>Date: 30.07.2021</p> <p>Place: Jammu</p> <p style="text-align: right;">Member Secretary J & K Pollution Control Committee</p>					

AL

**A Summary Statement on progress made by Municipal Authorities in respect of
implementation of Schedule III (2020-2021)**

A) Jammu Division:

Construction and Demolition waste is being dumped on unused vacant lands, along river banks etc. in absence of any collection and disposal mechanism in place by most of the Urban local bodies.

As per Annual Reports submitted by Urban Local bodies, Construction and Demolition waste is disposed of by owners themselves on completion of construction work and only unclaimed waste is transported by local bodies except for **Jammu Municipal Corporation** that has initiated practice of deposition of advanced fee for waste disposal through JMC only while granting permission for building construction.

Actions taken towards implementation of C&D Waste Management Rules, 2016:

1. Specific dumping sites for Construction and Demolition waste have been identified by nine local bodies, viz., **Jammu Municipal Corporation, MC, Kathua, Udhampur, Poonch, Akhnoor, Jourian, Khour, Reasi and Ramnagar** in Jammu Province.
2. Environmental cells have been set up by **Jammu Municipal Corporation and Srinagar Municipal Corporation with issuance of public notice for general public to comply under Byelaws and directions issued by corporations.**
3. Policy and strategy on Management of C&D waste notified vide order No. 70-JK (HUD) of 2020.

B) Kashmir Division:

In most of municipalities, the C & D Waste generated is disposed of by the waste generators themselves. Due to the lack of any collection and disposal mechanism, low lying areas, vacant plots, river banks or sometimes even the outskirts of the city often become targets for dumping of Construction and Demolition Waste.

There is no much progress with respect to identification of sites for establishment of processing facilities for Construction & Demolition Waste in most of ULBs.
